

How to Connect to First Grade Google Classroom

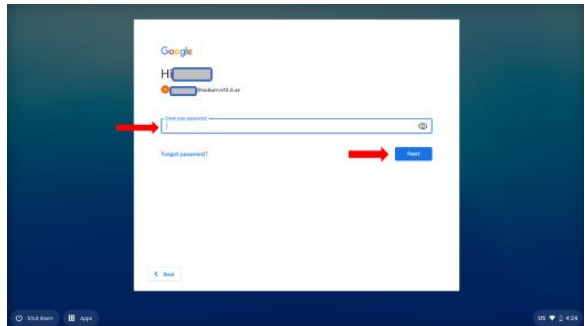

1. Parents need to login to Skyward Family Access
2. Click on the Student Info tab.
3. Write down your students email address
4. Write down your student's student id

5. Sign in to your Chromebook
6. Enter students email address, the @auburn.k12.il.us will already be included
7. The students email address can be found by the parents accessing their Skyward Account.
8. Click the Next button

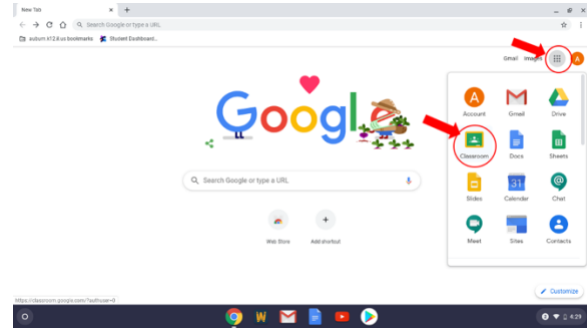

9. Hi <Student Name> screen will show the students email
10. Enter the student's password
11. Password is the <capitol first initial><capitol last initial><student id #>
12. The student id can be found on Skyward.
13. Click the Next button

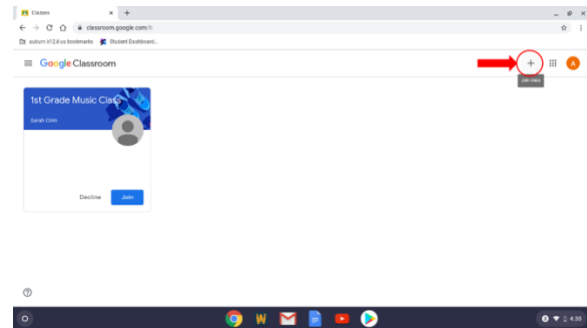

14. Google Chrome (web browser) may open or you may get the Google desktop.
15. The picture to the right is the Google desktop.
16. You can open Google Chrome by clicking the icon.

17. Once in Google Chrome, your student should be signed into Google already.
18. You can tell if you are signed in by looking for the students first initial in the upper right corner of the Google website.
19. Click the Apps Icon next to the Account Icon
20. Click Google Classroom app

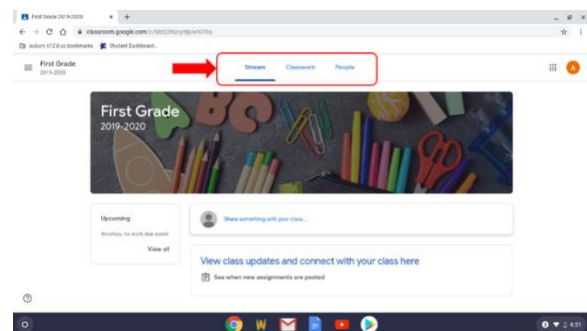

21. You will see the students Google Classroom.
22. You will need to join the First Grade Classroom
23. Click the Join Class button.

24. The Join Class window will open.
25. Enter the class code **tzbw3ss**
26. Click the Join link

27. The First Grade 2019-2020 classroom will open
28. The menu across the top has Stream, Classwork, People.
29. The Classwork menu option will contain the work the students may work on.

30. When you return to Google Classroom the next time you will see all the classes you are enrolled in.
